

HOW STUDENTS AT MSC USE THE SKILL TIME KIOSK!

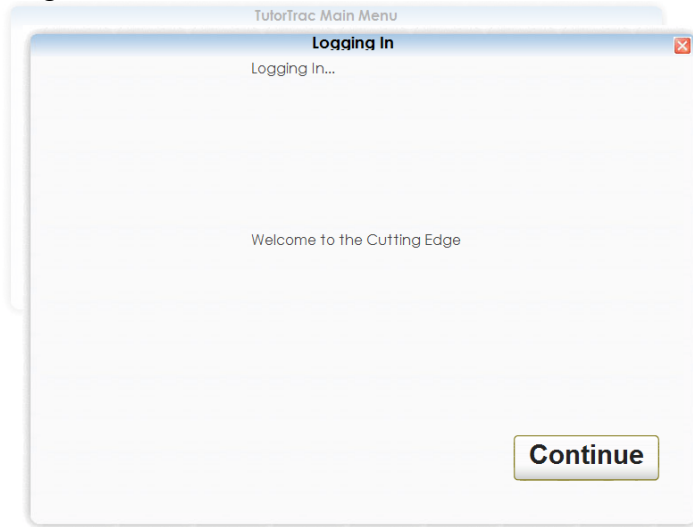

Welcome to the new Skill Time Attendance system.

Students will start by scanning their ID. Once you have scanned your ID you will see this screen. You must choose the subject (Course) you are currently enrolled in. (See example below.) After you chose your course tap the “Continue” button.

Once you tap the “Continue” button you will then tap the next “Continue” button to finish you’re clocking in.

To be able to clock out of the system, scan your ID card. Then tap the “Continue” button. You are now clocked out.
